**SCHOOL**  
**REPORT**  
**CARD**

**GRADES : K 1 2 3 4 5 6 7 8**

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

**STUDENTS**

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION														
	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Percent Low- Income	Percent Limited- English- Proficient	Percent IEP	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment

**Low-income** students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

**IEP** Students are those students eligible to receive special education services.

**Limited-English-proficient** students are those students eligible for transitional bilingual programs.

**Mobility rate** is based on the number of times students enroll in or leave a school during the school year.

**Chronic truants** are students who are absent from school without valid cause for 18 or more of the last 180 school days.

**INSTRUCTIONAL SETTING**

	2007 Equalized Assessed Valuation per Pupil	2007 Total School Tax Rate per \$100	2008-09 Instructional Expenditure per Pupil	2008-09 Operating Expenditure per Pupil
District	\$62,468	3.53	\$4,446	\$8,264
State	**	**	\$6,483	\$11,197

\*\* Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

**Equalized assessed valuation** includes all computed property values upon which a district's local tax rate is calculated.

**Total school tax rate** is a district's total tax rate as it appears on local property tax bills.

**Instructional expenditure per pupil** includes the direct costs of teaching pupils or the interaction between teachers and pupils.

**Operating expenditure per pupil** includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

## ACADEMIC PERFORMANCE

### OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

**OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE**

**ISAT PERFORMANCE**

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

## PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

PERCENTAGE OF STUDENTS NOT TESTED IN STATE TESTING PROGRAMS FOR READING AND MATHEMATICS

### ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

### Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 77.5% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 77.5% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. \*\*\*
3. At least 91% attendance rate for non-high schools and at least 80% graduation rate for high schools.

\* Includes only students enrolled as of 05/01/2009.

\*\* Safe Harbor Targets of 77.5% or above are not printed.

\*\*\* Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

2010-2011 WRAPAROUND  
WASHINGTON SCHOOL

Analysis of Washington School students' scores on the Illinois Standard's Achievement Test (ISAT) for the 2009-2010 school year indicate that Washington School met Adequate Yearly Progress (AYP) in the area of Mathematics. Washington School did not make AYP in the area of Reading. The target for meeting AYP was 77.5%.

The following is a summary of the scores achieved by Washington School students on the 2010 ISAT:

- A. As a whole (All Students), Washington School scored 77.6% in Reading and 80.7% in Mathematics.
- B. The Students with Disabilities Subgroup scored below the minimum target of 77.5%. Students in this subgroup scored 38.4% in Reading and 54.3% in Math.
- C. Economically disadvantaged students scored below the minimum target as well in Reading. Students in this subgroup scored 70.1%. In Math, students scored 77.1%.

The following are improvements that have been made at Washington School for the 2010-2011 school year:

- A. All teachers at Washington School are highly qualified.
- B. The 7<sup>th</sup> & 8<sup>th</sup> grade literature series was upgraded for the 2010 -2011 school year to remain in step with the reading curriculum in 6<sup>th</sup> grade.
- C. RTI is in place for grades 1-8. ISTEAP assessment tools are being utilized to monitor student progress and analyze student data.
- D. An instructional aide has been added to the staff to assist with RTI interventions in grades 6 – 8.
- E. Curriculum maps are being updated in grades 6-8. They will be complete by the end of the year.
- F. NCLB aide and Title Program continue to work with students in grades 1-5.
- G. Special education teachers continue to be departmentalized with their instruction at the Junior High level. RTI efforts are being applied toward students with IEPs as well.
- H. Regular education and special education teachers are co-teaching in 5<sup>th</sup>, 6<sup>th</sup> and 7<sup>th</sup> grade Reading Skills classrooms.
- I. Study Island and Auto Skills test prep programs have replaced “Buckle Down” and “Coach” ISAT preparation materials.
- J. Auto Skills is being used also as a Reading intervention for students reading below grade level in grades 6 – 8.
- K. Positive behavior programs exist in grades 1-5.
- L. Student agenda books continue to be implemented in grades 5 – 8 to improve student organizational skills and increase communication between parents and teachers regarding homework.

- M. Response to Intervention Teams (RtI) for grades 1-8 meet regularly to identify and better serve at-risk students.
- N. The school has partnered with Franklin Williamson Human Services through a Mental Health and Schools Collaboration Grant. This grant has provided a counselor housed within the school to assist with one-on-one intervention as well as group intervention.
- O. A program entitled “Second Step” continues for students in the early elementary grades. A “Life Skills” program continues in the 7<sup>th</sup> and 8<sup>th</sup> grade classrooms. These programs were made available through the Mental Health and Schools Collaboration Grant.
- P. A new English series has been implemented in grades 1-7 and will be expanded into grade 8 over the next year.
- Q. Computer labs are being utilized daily through programs relating to RtI and test preparation. Teachers in grades 5 – 8 are also utilizing the labs for classroom projects.
- R. The PTO has been very active with assisting with student programs and fundraising for educational needs. The PTO continues to provide instructional materials and technology for all grade levels.
- S. All classrooms in the building are equipped with SmartBoards.
- T. Three additional computers were added to classrooms in grades 3-5, and in grades 6-8 of teachers with English, Math, and Special Education classes to assist with intervention use.
- U. Additional software programs are being implemented for students, including IXL Math, Lexia, and Brain Pop. Students continue to use AutoSkill, Reading Plus, and Study Island. Study Island and IXL Math are available for student use at home.
- V. Students who reach Tier III RtI intervention levels are provided a more individualized intervention program.

The Washington School faculty and administration see needs in the following areas:

- A. Class size in some grades is above the state average. Additional staff or the reassignment of existing staff would possibly address the issue of ever-changing classroom populations.
- B. Purchase additional books for the Accelerated Reader Program.
- C. Minor building improvements and/or new construction in order to reduce noise and maximize space.
- D. Purchase additional library books to encourage students to read.
- E. Curriculum updates are needed in the following areas: Math, Science, Social Studies, and a new 5<sup>th</sup> grade reading series for differentiated instruction in co-teaching.
- F. Fine Arts/Physical Education teacher for grades 1-5.
