

Zion United Church of Christ Scholarships  
930 West Cherry Street  
Marion, IL 62959

**Cover Sheet**

Zion UCC offers two scholarships. Because the two programs are different, it is critical that an applicant determine their eligibility for the scholarship. Failure to properly identify the correct scholarship will eliminate the candidate from consideration.

Please read the descriptions below. Check which scholarship(s) you wish to apply for and then sign and date the cover sheet. There is only one application form that is necessary to apply for either scholarship. The proper candidate may apply for both scholarships. Good luck!

**The Everett and Otilia Lynch Scholarship:** The Everett and Otilia Lynch Scholarship Fund is providing a \$2000.00 scholarship to a graduating high school senior or to an applicant who is presently attending or planning to attend college, nursing school, or seminary. \$1000.00 will be presented when the selected applicant is enrolled and attending classes as a full-time student. The additional \$1000.00 will be presented at the beginning of the second semester if the student remains in good standing.

**The Kay and Walter Pape Scholarship:** The Kay and Walter Pape Scholarship Fund is providing a \$1,000.00 scholarship to a graduating high school senior or to an applicant who is presently attending or planning to attend college or trade school, or is enrolled in building construction classes, or has shown interest in the field of education through volunteer work in early childhood or in the field of education. Students with a high school record of membership in F.F.A. will receive strong consideration as would students involved in working with children. \$500.00 will be presented when the selected applicant is enrolled and attending classes as a full-time student. The additional \$500.00 will be presented at the beginning of the second semester if the student remains in good standing.
